

Review your notes on **Chapter III** of *Aeneas* to answer the following.

1. Why did blood drip from roots that Aeneas tried to pull out of the ground? (Include name.)

Where was this?

Then what did a voice warn Aeneas not to do?

2. Where did Aeneas and his crew first consult an oracle?

Who was the god of this oracle?

What happened immediately before the voice of this god spoke out?

What did the voice say?

3. On what island did Aeneas' crew experience a plague?

What did Aeneas' father then realize?

4. Before returning to the oracle, what did Aeneas' household gods do?

5. What attacked Aeneas' crew as they were feasting on meat on an island?

Describe the attackers.

6. Who were the king and queen of a Greek city at which Aeneas' crew found safety?

What was their background?

What did this Greek city remind Aeneas of?

7. Aeneas' crew saw waves booming against rock cliffs and foamy water spewing into the sky. What were they witnessing?

8. On the coast of Sicily, a scraggly Greek approached Aeneas' crew. What did he ask them to do?

Why was he there on the island?

9. What danger was there near Mt. Etna, Sicily?

10. Who died on the west coast of Sicily?

Why was Aeneas stunned to lose him?
